**SPOT Rural** is an innovative Speech Pathology and Occupational Therapy practice that provides:

- Telehealth Therapy (using video conference)
- Outreach Services (we come to you!)
- Parent Training & Professional Development Services

We support children and adults in isolated metropolitan, rural and remote communities.

Our mission is to provide accessible allied health care for anyone, anywhere. We will travel to your local community!

We provide services up to six days a week, and outside typical office hours, to meet the needs of our clients.

SPOT Rural's team of therapists are passionate and experienced. We specialise in supporting children and adults who require assistance in the following areas:

**Children:**
- Receptive & Expressive Language
- Speech (articulation)
- Fluency (stuttering)
- Literacy (reading, spelling, writing)
- Numeracy (maths)
- Swallowing & Saliva Control
- Tongue Thrust & Orofacial Myology
- Voice
- Visual Perception
- Attention & Working Memory

**Adults:**
- Sensory Processing
- Fine and Gross Motor Development
- Self Maintenance
- Handwriting
- Rehaabilitative Services
- Aphasia (language difficulty)
- Dyspraxia (motor speech difficulty)
- Dysphagia (swallowing difficulties)
- Voice (nodules, Parkinson’s Disease)

Enclosed is a little bundle of flyers. For more information, please see our website: [www.spotrural.com.au](http://www.spotrural.com.au)

We would be delighted to chat to you any time, so please give us a call!

Katie Broderick  
Director, Speech Path & Occupational Therapist

Heidi Begg  
Director, Speech Pathologist
