

Students with significant support needs

Students with significant support needs which impact on their engagement and prevent them from attending school on a regular basis, including a special school or special class within a regular school, may be eligible for enrolment at a distance education centre.

This may include students who have a diagnosis, confirmed disability or history of:

- ◆ Mental health condition
- ◆ Autism
- ◆ Severe disruptive behaviours
- ◆ School phobia.

For further information regarding enrolment of students in this category contact the centre on 62992966
